

### Certification Levels

**Basic Fire Alarm Technician:** An individual new to the industry, all work must be directly supervised by a Fire Alarm Technician or Master Fire Alarm technician.

Equivalent to a NICET I certification level in Fire Alarm Systems

**Fire Alarm Technician:** An individual who is experienced in inspecting and testing fire alarm systems in most buildings. Excludes high-rise buildings and buildings equipped with smoke evacuation systems.

Equivalent to a NICET II certification level in Fire Alarm Systems

**Master Fire Alarm Technician:** An individual who is experienced in inspecting and testing fire alarm systems in high-rise buildings and buildings equipped with smoke evacuation systems, firefighter smoke control panels, pressurized enclosures, etc.

Equivalent to a NICET III or NICET IV certification level in Fire Alarm Systems.
